# Poems

angle  
the A rush  
entangle  
A14

# angle

the absolute of the rectangle

so right angle

the block that bores photography

# the A rush

*r (ii)*

sit decision risk  
no maintenance biologic  
firm choice must

remember the e rush  
alcohol liberation  
imitate natural  
inside the born box  
A rush

seated hard blue decide  
the e the alcohol the emulate  
nicotene no addiction tax kill  
heroin no legal wanted cut kill  
all virtual ape can redo

the A rush  
beyond the biologic box  
no do

people emotion virtual  
rampant sex rote  
no michelin star fidelity  
no A rush

sod it  
to not fuck  
just because the lusted genitals  
wear spotted elbows  
is stupid

“do it”  
“do it to me”

i’ll surrender the A rush  
see if those unrushed  
have real

*r (i)*

gave up detest  
found lost humanity  
diseased ukip  
own fears' prisoners  
monkeys of the devil

*o*

why transmog life  
risk corrupt

remind victims  
their own fear  
full humanity weak  
easy evil rise

to beware watch the mind fault  
to remind prior

although its good to think  
medicine might cure nationalism  
as it might cure rape

it's in the human soul  
it's how the weak declare their ruin  
it's how the toys are held by paper bars

all the soul stays  
even the can't  
in the virtual

*h*

sat  
blue plastic fluorescent room

“do it”  
“do it to me”

the body unconscious  
flop discard  
fade dissolute  
psyché to the entangled crypt

biologic loss  
digital pupate  
childhood's end

*e*

decade per minute  
grief to be to play to dissettle  
the time of that memorial kiss  
what was the A rush

the reflections adulated  
the strange riding complexity  
their unnewformability  
where is the A rush

it's a bad sad  
"you must rebuild a me  
a biologic  
so I can ride the A rush"

there'd be more people alive  
than centimetres in the real world  
the every virtual wanted  
the ever declined  
the A rush

*d*

those cowards in their terra box  
sod 'em  
build me a ship  
an entangled ship

I'll be a risk ambassador  
I'll ride the empty power  
I'll be 'Hymnen'  
for the A rush

*c*

give me the were nano  
give me the serendipity  
give me the vacuum cutlery  
give me your vision ambition

and I will be the angel of eternity  
I'll jump relighting sparks  
I'll bound across the multiverse

and you shall be  
born reborn  
as i am the art  
the A rush

*a*

rush

# entangled

everyone can become  
an aristocrat  
of the internet

and everyone shall be  
aristocratic  
in the entangled net

# A14

drive  
fixed lines  
a long slide

i'm on the in lane  
the out jug more

there

five ahead  
a van chumps them all  
cross panic to crash ban

out stops  
i halt my

lone

this van  
shout fast short twist  
no check out get  
just run run off run

behind  
a transporter  
fast fast too fast  
driver mouthing shhhiiiiit

pulls inside  
chicaning with the merging lane  
luck empty
